# Cambridge English Placement Test

This is an adaptive test; as you work through the test the computer checks your answers then chooses suitable tasks to match your level of knowledge. Try to answer as many questions as you can, because you may not get a report if you do not answer enough questions.

There are two parts to the test: Listening and Reading.

In the Listening part of the test you have time to read the question(s). Click the play button to listen. You can listen twice.

Click the arrow in the bottom-right corner of the screen to move through the test.

The progress indicator at the bottom of the screen will show you how much of the test you have completed.

Now click on the right arrow to continue.

Once the test is completed, you will receive an email from: [no-reply@metritests.com](mailto:no-reply@metritests.com)
